Article 9: Monitoring and control

Both sides of this agreement abide to grant access to staff and authorized personnel of the European Commission, the European Anti-Fraud Office (OLAF), and the European Court of Auditors to locations and premises where the project is taking place, as well as to documentation related to the technical and financial management of the project.

Article 10: Liability

10.1. Every of the two Organisations of this contract exempt partners of itself from losses, incurred by them or their staff in a result of implementation of this contract in condition that the losses are in a result of unusual circumstances.

10.2. The Beneficiary Organisation have to protect the European Commission and their staff of any legal actions about losses, suffered by the third sides/Organisations including of staff of this project.

Article 11: Termination of agreement

11.1. In case it becomes impossible for objective reasons for one of the contracting parties to perform any of its obligations under this agreement and regardless of the consequences set out in the applicable laws in force, the Beneficiary Organisation is legally entitled to unilaterally terminate or cancel the agreement without any subsequent further actions and without owing compensation for damages, provided that the parties have not taken any actions within one month of the receipt of an official written notice for implementation sent from the beneficiary to the host Organisation by registered mail.

11.2. The Beneficiary Organisation shall immediately inform the Slovakian National Agency on events that could have a negative effect on the execution of this agreement and the agreement referred to in Art. 1 by providing comprehensive and detailed information.

11.3. Notwithstanding the afore mentioned, the Beneficiary Organisation may terminate the agreement unilaterally and without prior notice, without obligation for compensation, with the right to suspend payments on its side and a commitment by the host Organisation to refund any previously received payments under this agreement in the following circumstances:

- a) In the event of legal, financial, technical or Organisational changes in the status of the host Organisation, which could substantially affect the implementation of the subject matter of the agreement;
- b) In case of force majeure or in the event temporary suspension of the operation in accordance with the agreement due to unaccustomed conditions;
- c) In case the host Organisation is subject to legal proceedings for a declaration of bankruptcy; in case it is into liquidation in case it is administered by the court; in case it is subject to legal proceedings for collection of creditors' claims, incl. state; in case it entered into an agreement with creditors; in case it has ceased its activity; or in case it is subject to similar proceeding or is in any analogous situation arising from a similar proceeding under national legislation or regulations in force;
- d) In case the Beneficiary Organisation ascertains or suspects pursuit of fraud, corruption, involvement in criminal Organisations or any other illegal activity, unfavourable in terms of the European Union financial interests by the host Organisation, a related

natural or legal person or their representative, including attempt and preparation for the aforementioned actions. Besides all of the above, suspicion of illegal activities also occur when a pre-litigation, judicial or administrative penalty proceedings are initiated by a competent authority of a Member State of the EU against the host Organisation or a related natural or legal person, or against its representatives or personnel, or against employees of the Beneficiary Organisation related to the activities during the implementation of the agreement;

e) In case the Beneficiary Organisation ascertains provision of false affirmations, data, and statements regarding execution of the agreement, including in reports and other documentation provided by the host Organisation in order to receive compensation under this agreement or any other benefits, including infringement of the requirements for prevention conflicts of interest.

Article 12: Competent court

In case an agreement cannot be reached, the only competent court for resolution of disputes arising between the parties with respect to the implementation of this agreement shall be the courts at the place of residence of the Beneficiary Organisation.

The only applicable legislation as regards to this agreement is the legislation in force in the country of the Beneficiary Organisation.

Article 13: Amendments of agreement

Amendments to this agreement may be made only by additional written agreements signed by each of the parties.

This agreement shall enter into force after its signature by both parties.

This contract is signed on Braga in two identical copies.
